"I want to give a big thank you to **Dee Barrett** and her daughters **Peighton, Keira and Mollie** who subbed for me from April until now while I was recovering from two hip replacement surgeries. I wasn't ready for all of those steps. The girls were more than happy to help! That's what this neighborhood is about. Thank you Barretts."

## PRESIDENT'S MESSAGE

# Gratitude!

– Lynn Ankney, President

I love this newsletter, but I often struggle with what the heck to write in this column. “President’s Page” connotes important information, weighty issues, thought-provoking missives and the like.

I suppose given that it’s November, I’ll go with the trite, but always appropriate, topic of being thankful. Specifically, I’m thankful for this newsletter, despite the dread of my monthly assignment given to me by this column! (Note to self: possible December column topic: recruiting guest columnists)

I’d like to start with thanking the people who take part in creating this publication. Each month, more than two dozen folks submit content to our creative and talented newsletter editor and designer, Kathleen Kearns. And while this newsletter may be a throwback inasmuch as it’s PAPER and hand-delivered to your doorstep each month (more on that later), it’s our goal to provide timely, relevant, hyper-local content our members value. Our OIPA Board relies on this publication as a means for communicating the work we conduct on our members’ behalf throughout the

month (see page 4 for the board meeting minutes) and, of course, to highlight the keynote speakers we engage for our monthly meetings (see page 6 for our general meeting minutes).

The next round of thanks goes to the folks who play the important role of getting the newsletter ready for delivery. After Kathleen works her editorial magic and sends the file off to CopySet Printing in Des Plaines, we receive 3 – 4 heavy boxes containing 500 – 600 newsletters. A team of 2 – 3 of us on the OIPA Board assemble each newsletter into one of three categories:

- 1. Mailers** – the ~50 newsletters we place in envelopes, address and mail via USPS to our out-of-boundary recipients;
- 2. NOIP routes** – 14 bundles that **Barbara Chadwick** delivers to our 13 volunteers (**Lisa Cesar** is a rockstar and does 2 routes!) located on the north side of Irving Park Rd; and
- 3. SOIP routes** – 23 bundles **Bart Goldberg** delivers to our delivery volunteers living – you guessed it – south of Irving Park Rd.

## PRESIDENT'S MESSAGE

### Additional Thanks!

The final group to thank is the small army of newsletter delivery staff who open and close entrance gates and trudge up and down steps in order to place your newsletter into a mailbox, through a mail slot, or in a cute little wicker basket on your front porch. Please turn to *Page 1* to see a complete listing of our delivery crew. And, in keeping with our theme of thankfulness this month, you'll note a special thank you message from a longtime newsletter deliverer to her several month-long substitute delivery fill-ins (aka her helpful, sweet neighbors, the Barrett sisters).

**For more information on how you can get involved in contributing to this publication, please see page 16.**

## Summarized Minutes of the Board Meeting

on October 16, 2017 — Bart Goldberg, Secretary

**Attendees:** Lynn Ankney, Howard Silver, Adrienne Chan, Colleen Kenny, Anna Sobor, and Bart Goldberg

**The Board meeting commenced at about 8:30 p.m.**

**Treasurer's Reports:** The Treasurer's Reports for the month of September were unanimously approved.

**Membership:** Plans on how to reach the members that have not yet renewed were discussed, and for the future exploring to see if we can possibly offer an auto-renewal system. We were pleased that about 275 have already paid their dues electronically this year which is considerably more than used that method last year.

**Outside Meeting:** Lynn Ankney and Anna Sobor reported on an initial meeting with the Gidley Management Group and others regarding a possible business association for our area. They also reported on the status of The

Point at Six Corners development at the corner of Irving Park and Milwaukee that is still yet to break ground. A meeting concerning that project has been postponed by the developer.

**Zoning:** Howard Silver updated us on a few ongoing zoning issues, including the possible development of the church property located at 4047 N. Keeler.

**Holiday Party:** We have been investigating the possibility of having our annual holiday party at a different location this year. We are still in the process of evaluating costs and will make a decision soon.

**Miscellaneous:** Our website, the newsletter, the above ground planters, and the greenspace program, were all also discussed.

**The meeting adjourned at about 9:30 p.m.**

# Summarized Minutes of the General Meeting

on October 16, 2017 — Bart Goldberg, Secretary

### Attendance:

Approximately 28 good souls were at the meeting, which was a fine turnout in light of the postponement from the week before. I attribute the good attendance to a combination of to the fine speaker we were presenting and the provision of cookies once again. (Many thanks to **Fannie's Bakery** at Milwaukee and Montrose for the tasty selection). The meeting was postponed last week due to a conflict with the Cubs playoff game and the Bears on Monday Night Football. **President Ankney** reached out to the Cubs to remind them that we had scheduled this meeting some time ago, and they were courteous enough to reschedule for the afternoon. The Bears tried to accommodate us, but the Commissioner had to clear it with the President and he was unavailable on the golf course, so we moved it. There were a couple of new attendees to welcome at this meeting: **Mike Abbott**, who resides on Kenneth, and **Kate Kane** of the 3700 block of Kostner. Please consider yourselves welcomed! President Ankney commenced the meeting at 7:08 p.m.

**Board Elections:** The membership elected new officers for OIPA at this meeting and President Ankney wisely devoted very little time to this, since there were no contested elections. A hand vote was taken and **Lynn Ankney** (President) **Howard Silver** (Treasurer) **Bart Goldberg** (Secretary) were all re-elected, and **Adrienne Chan** was elected as our new VP. There was one nay vote against the slate, but it is our policy to not report on this so as not to discourage a free election. However, **Wendy Jo**, you should know that we are reconsidering that policy for future elections.

### Committee Reports and Announcements:

**Meredith O'Sullivan** updated us on membership and noted that as is normally the case this time of the year we have a lot of stragglers that have yet to renew their annual membership. People, we need you!

**Colleen Kenny** updated us on advertising (which seems to be going quite well). It was good to hear that we now have some more advertisers on our website.

**Adrienne Chan** discussed the new round of banner sales that are about to begin. The cost is \$500 for two years to fly your beautiful Old Irving Park banner. She pointed out that you do not have to be a business or an organization to purchase one and be identified on it. For example, a family could buy one, or a block or other group of neighbors. This could be a great way to honor that truly special dog of yours too! (I hope my wife does not read this, as she would really do it).

A representative gave us an updated report on the City of Chicago meeting concerning the Cook County Towing company. It seems that many people are very disturbed by the actions of this company. Some of these include very reckless driving, noise complaints, and parking towed cars on Milwaukee Ave, and now their activities at their new location on Knox Avenue just south of Montrose. At the City meeting, the Business Affairs department set some new restrictions on Avondale Collision on Milwaukee Ave to help address this problem. We will keep you posted.

# OIPA GENERAL MEETING REPORT

---

*Continued from page 6*

## **Main Speaker: State Representative Jaime Andrade, Jr.**

**Representative Andrade** has been the State Representative for the 40th district (which includes nearly all of Old Irving Park) for four years now, and while he has been at meetings before, this was the first time we have had him as the featured speaker. It was long overdue!

In the first part of his remarks Representative Andrade stressed that he sees himself as being primarily a service oriented representative (as opposed to a legislative specialist). His considerable skills in providing constituent services were honed from over 20 years of service with Alderman Mell's office. He discussed two big projects in our community that he has is particularly proud of. The first was the new playground at Independence Park, where he not only was instrumental in getting it built, but insisted on making it fully handicapped accessible. The second was the new public library being built at 4022 N. Elston. This incredibly important project was approved in record time and he said that they should break ground on it this spring. He said that the new big project in his crosshairs is remedying the filthy viaducts under the Blue Line. This includes the one on Irving Park Road, and the two adjacent ones on Avondale and Keeler (and he said that he will look into the one on Kostner as well). OIPA has been trying to get this addressed for a long time, and through the efforts of many it has been getting cleaned more regularly, but he is absolutely correct that it is still a big problem. With his characteristic energy, Rep. Andrade has already assembled all of the relevant parties: CDOT, IDOT, Streets and Sanitation, the CTA, Union Pacific, and Office of the Mayor. He has them working on potentially new ways to address this issue since netting and sounds are not effective, and cleaning is just a short-term remedial solution. He acknowledges that it will be difficult and probably expensive, but it is now finally a priority. He has even reached out to the Chicago

Cubs to see if they want to help. This is great news!

Representative Andrade then discussed some of legislative efforts, and it turns out that he was being unduly humble when he downplayed his contributions in this sphere. He spoke of a couple of pieces of legislation that he has proposed and passed. The first concerned mortgage foreclosures. Many lenders will not take anything less than full payment of all arrearages once an account is delinquent. They would refuse payments of the current monthly obligation meaning that the property owner got hopelessly behind. His bill created a way for the lender to accept these partial payments. A second law that he has worked on now requires volunteers at a park district (or their parents if they are a minor) to certify that they are not a sex offender before being allowed to volunteer. He also discussed some of the big issues that have arisen in Springfield, such as the budget, pension, and the school funding bill that was passed. Finally, he wanted everyone to know that they can reach him via his cell phone, and even agreed to have it published here. The Andrade Line is (773) 597-5571. It was all very informative and we hope that he will return soon

**The meeting then adjourned at about 8:15 p.m.**

**Next Meeting: November 13, 2017 at 7 p.m. at our normal location, the basement of the Irving Park Baptist Church at 4401 W. Irving Park Road.** We are going to call this meeting "Chicago 101" as we are going to have an experienced panel to answer questions about various government services, and what office you should call with various concerns. For example, if you don't know who to contact about a tree that died in your parkway, bring your questions to the next meeting. The meeting after that will be the Holiday Party. It will be on either December 10th or the 11th, and the location has not yet been determined for sure. Please look for notices from us for the time and place. See you there!

## Visit to the Past

— Laura Marie Sanchez

**W**e at the IPHS thought it might be a good time to draw attention to these two topics, both of which have 'anniversaries' this year.

It was 120 years ago that the Chicago & North Western Railway (now Union Pacific) began to elevate its tracks within the Chicago city limits. The railroad had been at grade level since the origins of Irving Park nearly thirty years earlier, and recent annexation to the city as well as increased population growth contributed to the need for more open and safer thoroughfares. These photos, taken beginning in 1897, show the local track elevation in progress. The following year, the work was completed, and traffic flowed freely westbound on what was then called Irving Park Boulevard.

## Honoring Mary Lucile Pepoon

This year marks 100 years since U.S. troops joined their allies in France to finish fighting World War I, the Great War. Accompanying them was a local young woman - one of the first to volunteer her services as a Red Cross nurse. Her name was **Mary Lucile Pepoon**. She was the daughter of Dr. Herman Silas Pepoon, himself a well-known professor of zoology, botany, and biology at Lake View High School. Lucile lived with her family at 3842 Byron and completed her studies at the German-American Hospital in 1909. She took a position with the city's health department as a school nurse, which she held until the day in May 1917 when the first Chicago Base Hospital Unit No. 12, was mustered into the Army and left for France. The unit was stationed near Boulogne, working with a large British hospital that was

repeatedly bombed by the enemy. Lucile and fellow medical staff tended to more than 35,000 wounded and sick. On March 20th of the following year, Lucile caught trench fever but insisted on working the next two months despite running a fever daily. On June 18, she was taken to the hospital at Etaples in northern France and put under the medical care of the King of England's physician. Five months later, on November 23, Lucille Pepoon died. According to the chaplain who officiated at her funeral, she was buried with full military honors at the Somme American Cemetery at Bony, Dept del'Asine, Picardie, France. Attending her funeral was both American and British generals and officer, a large number of Nursing Sisters, and Sir Bradford (the King's doctor).

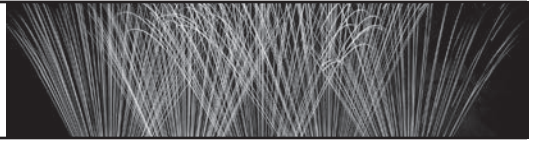

Several years after the war, the State Federation of Women's Clubs resolved to plant memorial trees for soldiers who fell during the war. One of the first memorial trees planted was dedicated to a woman —

Miss Lucile Pepoon, R.N. The ceremony took place on May 28, 1921, at Independence Park. The celebration included speeches and a performance by the chorus of the Irving Park School (Lucile's alma mater). The plaque (pictured above) accompanying the memorial tree, placed several hundred feet from her parents' home, read: *Lucile Pepoon, R.N. Gave her life to France nursing soldiers of the World War. In her memory, this tree was planted and dedicated by the Field Nurses, Department of Health, Chicago. May 28, 1921.*

**BANNER SPONSORSHIP COST:** A \$500 payment must accompany this form for a 2-year banner sponsorship. Please make checks payable to Old Irving Park Association.

*Receive a discounted rate of \$350 if you register as a website sponsor by November 30, 2017 (6 months+)*

Local Old Irving Park business, **Bishop Image Group** ([www.bishopimagegroup.com](http://www.bishopimagegroup.com)), will fabricate and install the banners in Spring 2018. The banners will remain on the poles through at least December 2019. *OIPA is not responsible for damaged banners (e.g., due to inclement weather).* Replacement banners will be available for \$250 each.

Each street pole will have two banners (measuring 8 feet tall by 30 inches wide) printed on both sides. One side of the pole will have a neighborhood identifier banner and the other side will be one of four taglines, with your chosen sponsorship message. Each sponsor will have an entire pole to market their business/organization. Locations are assigned on a first-come basis.

## Visit the New Learning Garden

**H**undreds of Schurz students worked together on September 29 to build a Learning Garden on the front lawn - and the results are stunning! Congratulations to the teachers and students who made this dream a reality. Many thanks to the community members who stopped by to help move dirt and celebrate the ribbon cutting, including Alderman John Arena. Through botany classes and BuildOn, students now are learning how to tend the plants and help grow to produce for nearby food pantries. Stop by to see this beautiful outdoor classroom!

### VOLUNTEER OPPORTUNITIES AT SCHURZ

#### Share Your Story at Career Days

The Schurz Post-Secondary Team and Friends of Schurz are planning two career day events in November.

The project kicked off with an all-student survey to find out the careers that most interest Schurz students.

We're now seeking community volunteers to match with students' career preferences. These volunteers will meet with students to talk about their career paths and answer questions.

The freshman-sophomore career day is on November 8 and the junior-senior career day is on November 29. Both events take place at Schurz from 8:30 to 9:15 a.m.

Sign up to volunteer at <http://bit.ly/SchurzCareerDay2017>

#### Yolobe Launches the Bulldogs Professional Community Network

The Yolobe program is expanding this year by launching the "Bulldogs Professional Community Network" in November. The program will run through May 2018 and aims to match more than 1,000

talented Schurz students with jobs, internships, apprenticeships, volunteer opportunities, and career advice. If you have an opportunity, want to speak with students or be a career confidante, or are available to answer questions, e-mail the Yolobe business team at [schurz@network.yolobe.com](mailto:schurz@network.yolobe.com).

#### Chicago Northside Mini Maker Faire

The annual Chicago Northside Mini Maker Faire, held at Schurz each May, has become a popular showcase of invention and creativity that draws families to our neighborhood. It's also a massive undertaking run entirely by students and volunteers. The organizers are seeking volunteers to help make the 2018 Maker Faire a success. Among the types of support they need are people to help identify and recruit community sponsors, write grant proposals, and help get the word out in the weeks leading up to the Faire, including interviewing and writing blog posts about exhibitors on the Faire's website, [chicagonorthside.makerfaire.com](http://chicagonorthside.makerfaire.com). If you'd like to get involved, send an email to [CNSmakerfaire@gmail.com](mailto:CNSmakerfaire@gmail.com).

## Viator Vibrations — Stacey Stevens / Kris Nielsen

Students from the St. Viator National Junior Honor Society volunteered with the Birthday Party Project, helping to host a birthday party for children at Safe Haven in Chicago. NHJS brought birthday presents for the children celebrating birthdays. Every child staying at Safe Haven were welcome to attend and enjoy the party. Our students raised funds for this project by baking treats for a school-wide bake sale. It was great to watch our students spread a little joy and have fun themselves while doing service for others.

### Up for a PepsiCo Recycling Challenge?

We have added a second recycling bin this year for you to help us fill. We collect aluminum non-alcoholic cans and PET #1 plastic. Collect items at home and work, then drop them off (separated, in bags) at the bins on the northwest corner of the school. We are competing with schools from all over the country to win the grand prize of \$20,000! Added bonus – studies have shown that single-stream recycling programs like this are more effective at keeping recyclable items out of landfills than mixed recycling programs.

## Blue Ribbon School

On Thursday, September 28, Secretary of Education, Betsy DeVos, announced St. Edward School a 2017 Blue Ribbon School of Excellence. The National Blue Ribbon School has been in existence since 1982 and over 7,500 schools in the U.S. have received this award. There are approximately 132,400 schools in the country and about 400 schools each year are awarded the Blue Ribbon School. The Blue Ribbon School recognizes public and private elementary, middle, and high schools based on their overall academic excellence. Every year the U.S. Department of Education seeks out and celebrates great American Schools demonstrating that all students can achieve to high levels. The National Blue Ribbon affirms the hard work of students, educators, families, and communities in creating safe and welcoming schools where students master challenging content. The Blue Ribbon Award is a coveted award and one that is given for a five year period.

# The Buzz at Belding

— Lisa Owens, 4th Grade Reading/Social Studies Teacher

## Walk-A-Thon Results

The Belding Walk-A-Thon was a successful fundraiser to bring in additional funding for art classes for our students. In addition to music and dance classes, our students will now also receive fine arts classes from exceptional local arts educators.

The Belding community donated more than \$15,000 for arts, and this success was celebrated with Paint the Principal event with each student having an opportunity to fling paint, Jackson Pollack style, on Principal Heather Yutzy. Great fun was had by all, except perhaps the principal.

---

## Fall Fun Fair

Join the Belding community at an after-school event to celebrate the fun and joy of fall on October 28 from 4-6 p.m. A D.J. will spin current hits while children dressed in costumes can play games for prizes and run a bouncy house obstacle course. The evening will culminate with the annual flash mob Thriller dance by our eighth-grade zombies. We're hoping for a beautiful night when Belding families and neighbors can come together as a community.

---

## Are you curious to see what Belding Elementary has to offer your child?

Each month Principal Heather Yutzy offers school tours for prospective parents. A tour is an excellent opportunity to see Belding teachers and students in action and to learn more about our school. Upcoming tour dates include October 17, November 21, December 19, and January 16. Tours begin at 8:00 a.m. in the school office.

## IPFAC Presents Free Holiday Concert

The Irving Park Fine Arts Committee (IPFAC) present a free holiday concert featuring An Octave Above on Sunday, December 10, 2017 at 2 p.m. **An Octave Above**, one of the hottest *a cappella* vocal groups in Chicago, is comprised of eight professional singers who combine their vocal talent with a love of a cappella harmonies. The group of four men and four women are also members of prestigious area Chicago-area choral ensembles, including the Chicago Symphony Chorus. They will perform holiday favorites along with doo-wop, jazz and pop standards.

The concert will be held at the Irving Park Lutheran Church, 4100 N. Harding Avenue. Admission to the concert is free of charge, although donations are welcome. A special holiday reception with the artists follows the concert, hosted by the Fine Arts Committee. Bring the family!

The 2017/2018 season is dedicated to the memory of **Nancy and Gordon Johnson**, the Irving Park Lutheran Church members who founded the series in 1994, along with artistic director Roger Bingaman. Future concerts in the series include a saxophone quartet on January 28th and a string quartet on March 25th. All performances are at 2 p.m. at Irving Park Lutheran Church.

## Pantry's Holiday Distributions Need Donations

The Irving Park Community Food Pantry has begun gathering donations for its two holiday distributions, in November and on December 20th. We are asking for contributions of funds, food and fun (i.e., books and toys) to make the season brighter for those in our community who need a helping hand during the holiday season.

In November, we provide clients during our regular weekly distributions with additional meat and trimmings for a Thanksgiving dinner. On December 20th, we hold a special distribution at which clients receive the makings for a full holiday dinner and can take home a gift for each of their children, along with a book and stocking stuffer.

Volunteers prepare the stocking-stuffers and book table for clients during the Pantry's 2016 holiday program. Books often are in short supply. *Photo by Craig Shutt*

For these special distributions, we are especially in need of juice, stuffing, cranberry sauce, canned yams and vegetables, instant potatoes, cake mixes, Jell-O and pumpkin-pie filling.

We typically give out about 400 toys to children (up to 12 years old). For some, it will be the only gift they receive. We especially need gifts for older children (more than 10), especially boys. Soccer balls and basketballs are popular options.

We also run out of books for all ages early in the day. We find older boys enjoy biographies, sports and other nonfiction books.

Unwrapped new toys and food donations can be brought to the Pantry at the Irving Park United Methodist Church (3801 N. Keeler Ave.) on Wednesday mornings (9 to noon) or on Tuesday evening, Nov. 14th (6 to 7:30 p.m.). Local businesses also have drop-off boxes; please check our Facebook page for locations.

The deadline for contributing toys is Friday, December 15th. Volunteers are needed to collect toys, organize the toy room, and help with the toy distribution on December 20th. **For information, contact Sara Yoest at [sara.yoest74@gmail.com](mailto:sara.yoest74@gmail.com).**

## Leaves & Snow Removal Reminders

Please remember that it is illegal to blow leaves into the city streets. When leaves are disposed of in our streets, it clogs the drains and inhibits the street sweeper from effectively cleaning the streets.

Additionally, unless Streets and Sanitation witnesses a lawn care contractor blowing leaves into the street, a homeowner can be held responsible for actions the contractor takes. Instead, please bag your leaves and yard debris for the Department of Streets and Sanitation to collect.

**SNOW!** Also, we want to remind residents that Chicago city ordinance requires you to shovel your sidewalks in a timely manner after a snowfall. Not only is it the right thing to do, but you could be fined for failing to remove snow. If you have an elderly or disabled neighbor who is unable to clear their sidewalk, please do the neighborly thing and lend a hand. Together, we can get through the notoriously brutal Chicago winter.
